Team Ireland Panel for 2015 - 16

- A Team Ireland Panel will consist of at least 12 bowlers:
 - ❖ The Top 10 bowlers taken from the Ranking list at the time of selection.
 - ❖ Two possible Wildcards or 1 Wildcard and 1 Exemptions, available to bowlers outside the Top 10.
- Wildcards / Exemptions - Bowlers outside the Top 10, who feel they may be eligible for a Wildcard or Exemption may make a written application to the Team Ireland Selection Committee stating their case and why they feel they are deserving of a place on the Panel / Team. The Team Ireland Selection Committee will make a decision based on the merits of this application. There is no requirement for the two possible Wildcard or one Wildcard and one Exemption spots to be filled or any guarantee of an application being approved even if those spots are not filled. All applications will be reviewed fairly and objectively with the ultimate mission of achieving the best and strongest Team Ireland possible.
- Examples of reasons for which a Wildcard / Exemption can be applied for include:
 - ❖ A bowler returning from injury and has displayed their quality in tournaments / leagues since their return.
 - ❖ A bowler who competes in overseas tournaments, which limits their participation in domestic tournaments. A bowler would however have to show their support by playing in a minimum of three domestic tournaments when / if not competing overseas.
 - ❖ A bowler living / studying overseas, however a bowler would have to display their qualities in tournaments / leagues in the area where they currently reside.
- The composition of Team Ireland for the Triple Crown 2016 (6 bowlers) will be as follows:
 - ❖ The Top 3 from the Rankings will earn a **guaranteed automatic spot** on Team Ireland.
 - ❖ A bowler granted an Exemption by the Team Ireland Selection Committee will earn a **guaranteed automatic spot** on Team Ireland.
 - ❖ The remaining Panel members, positions 4 through 10 in the Team Ireland Rankings and any Wildcards will compete in a roll off in order to determine who will earn a place on Team Ireland.
 - ❖ A Roll Off for a Triple Crown will consist of 2 blocks of 6 games held in 2 different centres.
 - ❖ On completion of the roll off process, the top 2 or 3 players, depending upon whether an Exemption has been granted, from the roll off will be invited to take their place on Team Ireland in addition to the 3 automatic players. Reserves will be taken from the remaining Panels in descending order of Roll Off finishing position (7th place = 1st, etc.).

- ❖ The cut-off for The Triple Crown 2016 panel qualification will be after the last ranking event of the 2015/2016 season. Roll-offs will provisionally take place on the weekends of the 9/10th July and 16/17th July 2016.
- The composition of Team Ireland for European or World Championships (6 bowlers) will be as follows:
 - ❖ The Team Ireland Selection Committee may grant an Exemption to one bowler for these teams.
 - ❖ There are **no guaranteed automatic spots** on Team Ireland for either of these Championships.
 - ❖ The Panel members, positions 1 through 10 in the Team Ireland Rankings and any Wildcards will compete in a roll-off in order to determine who will earn the remaining places on team.
 - ❖ A roll-off for a European or World Championship will consist of at least 4 blocks of 6 games played on a number of different patterns held in at least two different centres.
 - ❖ On completion of the roll-off process, the top 6 players from the roll off will be invited to take their place on Team Ireland. Reserves will be taken from the remaining Panels in descending order of Roll Off finishing position (7th place = 1st reserve, 8th place = 2nd reserve, etc.).
 - ❖ The cut-off for The European Women's Championships 2016 panel qualification will be after the Irish Open. Roll offs will provisionally take place on weekends 30th/31st January and 6/7th February 2016.
 - ❖ The cut-off for The European Men's Championships 2016 panel qualification will be after the National Championships. Roll offs will provisionally take place on weekends 27/28th February and 5/6th March 2016.
- The selection process for the World Singles Championships will differ from the above. As teams will consist of a smaller number of bowlers than detailed above, the Men's (2) and Women (2) Ranked 1st and Ranked 2nd after the last ranking event of the 2015/2016 season will be invited to take their place on Team Ireland to participate in the Championships. Reserves will be taken from the ranking lists in descending order (3rd place = 1st reserve, etc.).
- In the unlikely event of any positions on Team Ireland remaining unfilled after the above process has been completed and all Panels members have been invited, the Team Ireland Selection Committee retains the right to fill any remaining positions in any way it sees fit, keeping the mission of fielding the best and strongest Team Ireland possible at the forefront of any decision made.
- All Panels and Teams are forwarded to the Executive Committee for ratification.
